Emily,  
Thomethia Thrist will be responsible for the monthly program reporting and I will be responsible for the financial reporting. Neither of us have worked with a state contract before so we will need some hand holding. ☺

Please let us know what the next steps are.

Also, we are a small shelter and our moms are encouraged to stay with us for 12 months. Therefore, we currently have 2 pregnant moms as the others have already had their babies. To be admitted to the shelter you have to be pregnant so 15 of our moms have already had their babies. Are we allowed to be reimbursed for services to the moms that have had their children here and those infants are under 1 year?

**Subject:** New Contract Invoicing and Reporting Info

Hi Andrea,

Congratulations on the award of your new Alternatives to Abortion contract! I am the state administrator of the Alternatives to Abortion program and primarily who you will be dealing with during the course of your contract. If there is someone other than yourself who you would prefer to serve as my point of contact for Haven of Grace, please let me know.

In the meantime, I wanted to take this opportunity to go over A2A invoicing and reporting, as I know you and your staff are probably working very hard to get up to speed on how the program operates.

There are two forms attached to this email: the Monthly Invoice Template and the Quarterly Expenditure Form.

### **Monthly Invoice Form**

The Monthly Invoice Form must be completed **at the beginning of each month** for that month (i.e. you will submit the February 2017 invoice at the beginning of February). Your award amount for the remainder of FY17 and the monthly award amount have been populated for you. The only fields you are able to modify on this form are the invoice number, date, service period, prior invoiced total, and quarterly expenditure adjustment. All the remaining fields are password protected and are only to be changed by me. February should be pretty simple, but if you have any questions on how this needs to be filled out, please let me know.

### **Quarterly Expenditure Report (QER)**

The QER must be filled out at the end of each quarter (quarter ending dates are March 31, June 30, September 30, and December 31). If the QER shows that your expenditures are less than the amount paid to you for that quarter, you will enter the difference in the "Quarterly Expenditure Adjustment" field of that month's invoice (this will be a negative number, so please double check that it is). If you claim more expenditures for reimbursement than was paid to you for that quarter, you will again put the difference in the "Quarterly Expenditure Adjustment" field on the invoice (this time, it will be a positive number and will add to your "total due" field).

For example, for the months of July through September, you were paid \$75,000 total, but you only had \$67,000 in expenditures as reported on your QER. On the October invoice, you would enter - \$8,000 for the quarterly expenditure adjustment, and the total payment for that month would show \$17,000.

If Haven of Grace has other federal funding sources, this may already look familiar to you. However, if you have questions as to how the Quarterly Expenditure Report needs to be filled out, **please direct those questions to Joy Benne at (573) 751-7027.**

### **A2A State Data System**

We recently created a new database system for the A2A program and as a new contractor, you will need to be set up with access to the system. In order to do that, I will need to know who you want to serve as your administrator, their email address, and their phone number. Going through the account set-up process is a little tricky, and I find that it's best to walk new users through it by phone.

### **Case File Review Reports**

Section 2.4.3 requires that case file review reports be submitted on February 15, June 15, and

October 15. As the contract is starting so close to February 15, I am not requiring you to submit a case file review report for this date. **Your first report will be due June 15.** Case file review reports can be as simple as an email or Word document describing which client files were reviewed, which case manager serves that client, any deficiencies that were found, and how you plan to correct any deficiencies that were found. Please also make it clear which month the file was reviewed and which subcontractor the case manager is from (if you ever decide to utilize subcontractors for this program). For example:

### February Case File Reviews

**Client:** Jessica Smith

**Case manager:** Tina Jacobs

**Subcontractor:** ABC Subcontractor

**Date reviewed:** 2/10/17

**Case file deficiencies:** Client delivered on 12/14/16, but the client's birthing outcome has not yet been entered. All other records required by 2.4.1 are present in the case file.

**Corrective action:** Case manager has been notified of the deficiency and will be entering this data. A follow-up check will be completed by 2/28/17 to ensure the data is entered.

**Client:** Andrea Thompson

**Case manager:** Jerri Jones

**Subcontractor:** 123 Subcontractor

**Date reviewed:** 2/11/17

**Case file deficiencies:** None. All records required by 2.4.1 are present in the case file.

**Corrective action:** N/A

### March Case File Reviews

**Client:** Jennifer Lee

**Case manager:** Cheryl Loeb

**Subcontractor:** ABC Subcontractor

**Date reviewed:** 3/5/17

**Case file deficiencies:** Records indicate client received rental assistance for November 2016, but no receipt is present. All other records required by 2.4.1 are present in the case file.

**Corrective action:** Case manager has been notified of the deficiency and has requested a copy of the rent check from Accounting. A follow-up check will be completed by 3/31/17 to ensure the copy is entered into the case file.

I recognize that this is a very long email with a lot of information to digest. If you have any questions as you're reading through it, please let me know. I look forward to working with you!

Thanks,

**Emily Kraft**
